ACADEMIC AND RESEARCH EXPERIENCE

Junior Statistician

2021 - Present

Centre for Addiction and Mental Health (CAMH), Toronto, ON

- Conducted statistical and data analyses
- Conveyed and reported analyses results and interpretations in preparation of a manuscript

Practicum Student

2020 - 2021

Centre for Addiction and Mental Health (CAMH), Toronto, ON

- Conducted literature reviews for ongoing projects
- Performed statistical and data analysis for validating psychometric measures

Research Associate

2019 - Present

Research Methods and Statistics Laboratory, Ryerson University, Toronto, ON

- Attended meetings on relevant statistical topics
- Conducted literature reviews for ongoing projects
- Assisted with planning studies in equivalence testing and sample size calculations

Research Assistant

2018 - 2019

Robust Statistics Laboratory, York University, Toronto ON

- Assisted in data collection and the systematic evaluation of power analyses in psychological literature
- Synthesized a large body of data and collaborated on data analysis and interpretation of results
- Participated in designing recommendations for power analysis administration, reporting practices, and standards

2016 - 2018

Joint Lab Manager

*Cognitive Neuroscience & Neurointervention (C.N.N.) Laboratory and
Cognition & Aging Neuroscience (C.A.N.) Laboratory, York University, Toronto, ON*

- Took part in heading an international, multi-site cognitive and neuroimaging collaboration study (Goal-D)
- Directed data collection of several simultaneously ongoing lab studies
- Led a team of 6 graduate students, 3 undergraduate students, 2 staff positions, and numerous volunteers
- Coordinated staff and participant scheduling
- Recruited and screened incoming lab candidates, and trained volunteers and staff on lab protocols
- Managed lab servers and oversaw all incoming and outgoing communications of the lab
- Oversaw data processing: Behavioural, neuropsychological, MRI, and fMRI database management and analysis

Research Assistant

2017 - 2018

Cognition & Aging Neuroscience (C.A.N.) Laboratory, York University, Toronto, ON

- Administered and scored various cognitive tests and measures
- Managed participant pool recruitment, communication, progress tracking, and ongoing tech support for a neurofeedback pilot study

Research Associate

2014 - 2018

Cognitive Neuroscience and Neuro-intervention (C.N.N.) Laboratory, York University, Toronto, ON

- Administered various neuropsychological tests and measures
- Scored psychological and cognitive measures, and processed data which enabled ongoing publications
- Conducted data and statistical analysis on large scale datasets of behavioural measures, neuropsychological tests, and MRI/fMRI imaging

TEACHING EXPERIENCE

GRADUATE**Teaching Assistant, Introduction to Systematic Reviews and Meta-Analysis
(Quantitative Methods Workshop Series)**

Winter 2022

York University, Toronto, Ontario

Teaching Assistant, Introduction to R (Quantitative Methods Workshop Series)

Fall 2021

York University, Toronto, Ontario

Teaching Assistant, Fundamentals of Regression (Quantitative Methods Workshop Series)

Fall 2021

York University, Toronto, Ontario

Teaching Assistant, Statistics and Research Design II

Winter 2021

Ryerson University, Toronto, Ontario

Teaching Assistant, Statistics and Research Design I

Fall 2020

Ryerson University, Toronto, Ontario

UNDERGRADUATE**Tutorial Lead, Statistical Methods I and II**

Fall 2021-Winter 2022

York University, Toronto, Ontario

Teaching Assistant, Psychology of Sport

Fall 2019

Ryerson University, Toronto, Ontario

ACADEMIC SERVICE

EXTERNAL

Cofounder and Coordinator **2020 - Present**
ouR Coding Club!

- ouR coding club is a free, low-risk, social, and supportive environment for students and researchers at any level who wish to learn and share R code, a popular syntax-based statistical software
- ouR coding club teaches and emphasizes open science and transparent research practices above all
- Sessions include tackling and sharing technical issues and questions, learning from one another, and different workshops

Student Representative, Quantitative Methods Executive Committee **2020 - Present**
Canadian Psychological Association (CPA)

- Disseminated information to student members regarding activities of the section
- Represented student members by bringing important student issues to the attention of the Executive Committee
- Performed duties assigned by the Chairperson or requested by the Executive Committee or the general membership

Social Media and Outreach Committee **2021 - Present**
Society for the Improvement of Psychological Science (SIPS)

- Served as a committee member

CPA Student Representative (Graduate Program) at York University **2021 - Present**
Canadian Psychological Association (CPA)

- Promoted the services and benefits that the CPA offers to students in psychology graduate programs

Methodology and Statistics Advisor **2020 - Present**
Free Our Knowledge Platform

- Assisted in preparing the methodological and statistical plan for several studies
- Participated in several pre-registration projects

CPA Student Representative (Graduate Program) at Ryerson University **2020 - 2021**
Canadian Psychological Association (CPA)

- Promoted the services and benefits that the CPA offers to students in psychology graduate programs

DEPARTMENTAL

Co-Treasurer, Psychology Graduate Student Association (PGSA) **2021 - Present**
Department of Psychology, York University, Toronto, ON

- Prepared the budget for the Graduate Student Association
- Maintained accurate banking and accounting records and disbursements of PGSA funds
- Acted as the PGSA cheque-signing authority for funding requests and fundraising efforts

Cohort Representative, Graduate Student Anti-Racism Initiative (GSARI) **2020 - 2021**
Department of Psychology, Ryerson University, Toronto, ON

- Communicated cohort needs and concerns to the executive team
- Relayed policy decisions and updates to all cohort members

Surveying Subgroup Member, Equity, Diversity, and Inclusion (EDI) Task Force **2020**
Department of Psychology, Ryerson University, Toronto, ON

- Assisted in surveying department faculty
- Conducted qualitative data analyses and visualizations
- Prepared and communicated results for presentation

YU-CARE Committee **2016 - 2017**
York University Centre for Aging Research and Education (YU-CARE), York University, Toronto, ON

- Served as a committee member
- Assisted in organizing annual Aging Symposia at York University
