EDUCATION

PhD, Quantitative Methods, Psychology (in progress)

Expected 2025

York University, Toronto, Ontario

Supervisor: Dr. Robert A. Cribbie

MA, Psychology

2021

Ryerson University, Toronto, Ontario

Supervisor: Dr. Alyssa Counsell

Thesis: Equivalence testing for multiple regression

BSc, Specialized Honours, Psychology

2016

York University, Toronto, Ontario

Supervisor: Dr. Gary R. Turner

Thesis: The effects of cardio-respiratory fitness, physical activity, and sex differences on brain structure and executive functioning in older adults

- Graduated Summa Cum Laude

AWARDS, HONOURS, AND SCHOLARSHIPS

ACADEMIC AND RESEARCH EXPERIENCE

Junior Statistician

2021 - Present

Centre for Addiction and Mental Health (CAMH), Toronto, ON

- Conducted statistical and data analyses
- Conveyed and reported analyses results and interpretations in preparation of a manuscript

Practicum Student

2020 - 2021

Centre for Addiction and Mental Health (CAMH), Toronto, ON

- Conducted literature reviews for ongoing projects
- Performed statistical and data analysis for validating psychometric measures

Research Associate

2019 - Present

Research Methods and Statistics Laboratory, Ryerson University, Toronto, ON

- Attended meetings on relevant statistical topics
- Conducted literature reviews for ongoing projects
- Assisted with planning studies in equivalence testing and sample size calculations

Research Assistant

2018 - 2019

Robust Statistics Laboratory, York University, Toronto ON

- Assisted in data collection and the systematic evaluation of power analyses in psychological literature
- Synthesized a large body of data and collaborated on data analysis and interpretation of results
- Participated in designing recommendations for power analysis administration, reporting practices, and standards

Joint Lab Manager

2016 - 2018

Cognitive Neuroscience & Neurointervention (C.N.N.) Laboratory and Cognition & Aging Neuroscience (C.A.N.) Laboratory, York University, Toronto, ON

- Took part in heading an international, multi-site cognitive and neuroimaging collaboration study (Goal-D)
- Directed data collection of several simultaneously ongoing lab studies
- Led a team of 6 graduate students, 3 undergraduate students, 2 staff positions, and numerous volunteers
- Coordinated staff and participant scheduling
- Recruited and screened incoming lab candidates, and trained volunteers and staff on lab protocols
- Managed lab servers and oversaw all incoming and outgoing communications of the lab
- Oversaw data processing: Behavioural, neuropsychological, MRI, and fMRI database management and analysis

Research Assistant

2017 - 2018

Cognition & Aging Neuroscience (C.A.N.) Laboratory, York University, Toronto, ON

- Administered and scored various cognitive tests and measures
- Managed participant pool recruitment, communication, progress tracking, and ongoing tech support for a neurofeedback pilot study

Research Associate*Cognitive Neuroscience and Neuro-intervention (C.N.N.) Laboratory, York University, Toronto, ON*

- Administered various neuropsychological tests and measures
- Scored psychological and cognitive measures, and processed data which enabled ongoing publications
- Conducted data and statistical analysis on large scale datasets of behavioural measures, neuropsychological tests, and MRI/fMRI imaging

TEACHING EXPERIENCE

EXTERNAL**Cofounder and Coordinator****2020 - Present***ouR Coding Club!*

- ouR coding club is a free, low-risk, social, and supportive environment for students and researchers at any level who wish to learn and share R code, a popular syntax-based statistical software
- ouR coding club teaches and emphasizes open science and transparent research practices above all
- Sessions include tackling and sharing technical issues and questions, learning from one another, and different workshops

Student Representative, Quantitative Methods Executive Committee**2020 - Present***Canadian Psychological Association (CPA)*

- Disseminated information to student members regarding activities of the section
- Represented student members by bringing important student issues to the attention of the Executive Committee
- Performed duties assigned by the Chairperson or requested by the Executive Committee or the general membership

Social Media and Outreach Committee**2021 - Present***Society for the Improvement of Psychological Science (SIPS)*

- Served as a committee member

CPA Student Representative (Graduate Program) at York University**2021 - Present***Canadian Psychological Association (CPA)*

- Promoted the services and benefits that the CPA offers to students in psychology graduate programs

Methodology and Statistics Advisor**2020 - Present***Free Our Knowledge Platform*

- Assisted in preparing the methodological and statistical plan for several studies
- Participated in several pre-registration projects

CPA Student Representative (Graduate Program) at Ryerson University**2020 - 2021***Canadian Psychological Association (CPA)*

- Promoted the services and benefits that the CPA offers to students in psychology graduate programs

DEPARTMENTAL**Co-Treasurer, Psychology Graduate Student Association (PGSA)****2021 - Present***Department of Psychology, York University, Toronto, ON*

- Prepared the budget for the Graduate Student Association
- Maintained accurate banking and accounting records and disbursements of PGSA funds
- Acted as the PGSA cheque-signing authority for funding requests and fundraising efforts

Cohort Representative, Graduate Student Anti-Racism Initiative (GSARI)**2020 - 2021***Department of Psychology, Ryerson University, Toronto, ON*

- Communicated cohort needs and concerns to the executive team
- Relayed policy decisions and updates to all cohort members

Surveying Subgroup Member, Equity, Diversity, and Inclusion (EDI) Task Force**2020***Department of Psychology, Ryerson University, Toronto, ON*

- Assisted in surveying department faculty
- Conducted qualitative data analyses and visualizations
- Prepared and communicated results for presentation

YU-CARE Committee**2016 - 2017***York University Centre for Aging Research and Education (YU-CARE), York University, Toronto, ON*

- Served as a committee member
- Assisted in organizing annual Aging Symposia at York University

COMMUNITY ENGAGEMENT

PUMP Mentor

2021 - Present

Psychology Undergraduate Mentorship Program (PUMP) at York University, Toronto, Ontario

- provided mentorship to undergraduate students interested in graduate studies in Psychology

Homework Club Tutor and Mentor

2018 - 2020

Family Resource Centre, Vaughan, Ontario

- Assisted with homework, school projects, assessments, and test preparation to students in elementary and high school
- Provided mentorship for numerous students

Art Program Lead

2018 - 2019

Reena, Vaughan, Ontario

- Led a weekly art program for a group of 20 individuals with developmental disabilities

Café Europa Community Program Volunteer

2018 - 2019

Jewish Family & Child Services, Vaughan, Ontario

- Facilitated and assisted in bi-weekly social events for Holocaust survivors

ESL Tutor

2016 - 2018

SPARK Ontario, Toronto, Ontario

- Tutored and taught English in a Syrian newcomer community

Math and Statistics Tutor

2013 - 2018

Thornhill Community, Vaughan, Ontario

- Assisted with math and statistics homework, assignments, and test preparation for colleagues' and acquaintances' children and their friends in my community

Volunteer, Community Outreach & Engagement Program

2010

JCC, New York, NY

- Facilitated arts and crafts projects, as well as athletic activity for children in the community
- Provided individual support to students who had difficulty with their school assignments
- Participated in classroom activities with 20 children between the ages of 6 and 8
